

THE METHODIST CHURCH OF SOUTHERN AFRICA
EASTVIEW METHODIST CHURCH
Plot 86 Eastview Street, Zwavelpoort

*"Put your trust in The Light...
that you may become sons and daughters of Light*

23 June 2021

Dear Family and Friends of Eastview

I greet you in the Lord's precious name.

As you are aware Gauteng is experiencing a critical increase in infections. Attached is a letter from our Synod Covid Advisory Committee asking the churches to consider closing live services for the time being. We have had a consultation at our Circuit level. This includes our churches at The Glen, Eastview, Brooklyn, Eersterus and Mamelodi. We have decided to close services for the next few weeks, until the end of July 2021. Hopefully we will be over the peak of this third wave by then and we will assess the situation with regard to re-opening services.

Attached is a revised plan of services, which will start at the beginning of August 2021.

Thank you to everyone for your continued support. We have completed the audit of our finances with a 100% clean audit. We will be relying on EFT contributions. Bank account details are on the attached services plan.

Please share in the ministry of bring encouragement and confidence to others in need at this time. If you hear of someone who is ill, please consider phoning them with a word of encouragement and a prayer. Offer that person a word from scripture which brings hope and comfort. Psalm 119: V 81 & 82 reflect what we feel during illness and anxiety.

"My soul faints with longing for Your salvation, but I put my hope in Your Word. My eyes fail, looking for your promise; I say, "when will you comfort me?"

You can be the voice of the Lord's comfort.

In the next letter to you, I hope to clearly outline some more resources for your Spiritual welfare, including a home Communion service. This service will need to be done by whataspp video.

May you experience the Lord's blessing as you are a blessing to someone else in these hard times.

May His Grace be with you all.

Paul
