

AN INVITATION TO PRAYER

No matter what your problem or struggle is all about -

PRAYER CHANGES THINGS!

Over the past while there have been many folk who have faced the onslaught of Covid, the loss of a loved one, as well as the fears emanating from the stressful uprisings in our beloved country. We need to hold hands as the Body of Christ, supporting and praying for one another.

The Lord always answers prayers – not always in the way we expect, but in the way He knows best. Remember, you are coming to a Father who wants to hear the prayers of His beloved children.

Experience new hope, strength and courage. Communing with your Lord brings you into His presence and renews your faith. Gratitude and joy grows as we experience a deeper walk with Him.

Jesus said, "When you pray say 'Our Father ...' "

- **If you are seeking a closer walk with your Lord and have a prayer need;**
- **if you feel called to pray for our Church and for the Body of Christ;**
- **if you need a prayer for someone,**
- **if you feel called to become an intercessor,**

Matthew 6:8

"... your Father knows what you need before you ask Him."

Hold this verse in your mind, when you pray for someone who the Lord has laid on your heart.

Loving Greetings
